STARTERHACKS | COLLABORATION WITH RAHUL AGGARWAL, CHANTAL LAM, DANIELLE MILLIGAN, JASON GIEBAT, ADRIANA RODRIGUEZ | MAR 2019

|| *How can we **empower patients**  
**to manage their health?***

## User Feedback

*We surveyed 69 people, and **91%** of our respondents said having a record of past tests and results was either useful or very useful.*

**We need to reconnect  
patients with their  
own health records.**
